## Chapter 1 by jbabyyz

The story, "Africa confirms 3rd Ebola victim rises from the dead, releases picture of first 'Ebola zombie' captured," was shared which has been shared around the web, is posted on a satirical site. The image caption reads: "For the first time in human history, confirmed footage is captured of a man who scientists watched die from Ebola then only several hours later, regain life and rise from the dead".

## Chapter 2 by Sofia Hdz

so all the world was very impacted, they only see that types of dead people in movies. So they start to alert all the world since Ebola can spread all around the world. First, in Africa there's no one alive cause Ebola started in Africa. Then it spread all around the African continent, the world was in danger!!!!!! Humanity can be extinct and there is going to be zombies all around the world. All the people of the world start thinking they were in a movie but that was happening in real life.

TO BE CONTINUE.....

## Chapter 3 by Holly Laugesen

The survivors hid; but wherever they went, there was no escaping the Ebola Zombies. They were everywhere.

## Chapter 4 by Elsa

Groups of civilians began preparing for the worst. All those guys ages 19 & up who play zombie killing games, no matter how much they don't die, maybe they actually picked up a few tips. Or some of the guys who thought they had aim yet are killing the team.
